

We are proposing to organise a trip to M & D's Theme park at Strathclyde Country Park. This has been very successful in past years.

This is for swimmers who do not wish to partake of the longer journey to Blackpool or the younger club members, who may be excluded due to height restrictions. However if you are brave enough to do both, you are more than welcome!

The proposed date is the last Sunday of the school holidays, **15th August 2010**. The bus will leave at 10.30am from the Mariners Centre arriving back around 6pm.

The cost will be subsidised to £10 per club member and £13 per adult inclusive of transport and unlimited park rides pass.

If you do not want a pass for the theme park rides the cost will be £5.

If you would like to go on the trip, e-mail me on ireneandbrian7@sky.com confirming the number of places you wish to book. Money must be paid to the club desk by Monday 2nd August.

Initially the invite is open to Club members and family. If there is space we will open the offer up to friends, unfortunately this will not be at the above noted subsidised rate.

Regards

Irene Campbell
